**THE MARBLE ARCH INN**

---

MANCHESTER

"The best pub in the world" (Alex) or "a decent boozier" (Yaz) - who do you believe? Whilst the couple can't get to "The Arch" anywhere near as much as they'd like, every time they do make the trip it's a real treat. Also a favourite of Alex's grandma Trin, who manages to charm the pub's chef for freebies on an annoyingly frequent basis.

*Can you spot the artefact we've acquired from The Marble Arch at your table?*

A more relaxed option for those looking to keep things a little less formal, our kitchen team will cook on the grill serving your customers from the terrace with plenty of options for veggies and vegans too. There will be a choice of 3 meats, 3 salads and 2 desserts and with all the dressing and sauces. For something a little more unique, why not go for our texas style BBQ!

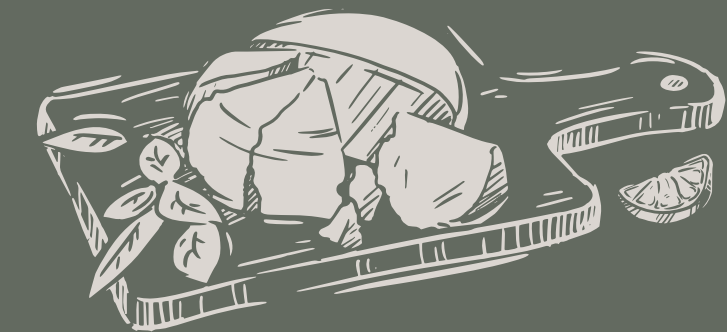

## Three course meal or family sharing feasts

From £55 per person

Offer your guests a traditional style of catering with a 3 course sit down meal to enjoy at your reception.

We ask you to choose 2 options, plus a vegetarian option from each course to offer to your guests to choose from in advance.

One thing that makes us different from most places in Kent, is that we are a family run company that solely focuses on making your event a personal occasion with complete flexibility over choice.

We allow you to choose from our own range of suppliers and caterers but can also discuss bringing in your own if this is what you would like, we know sometimes you have your heart set on something and we will do what we can to make it work.

If you would like to arrange a viewing to explore our gardens, restored barn and stunning views, please contact us using the details below.
